Q001

Good morning / afternoon. My name is ... from Ipsos B&A in Dublin. We are conducting the fourth European study on health and safety at work.

[If size=1]

I would like to speak with the owner, managing director or branch manager of this workplace.

[If size=2]

I would like to speak with the person who is best informed about health and safety in this workplace. Often this person is the owner, managing director or branch manager.

[If size =3 or 4 and Sample_var2 = 01 through 44]

I would like to speak with the person who is best informed about health and safety in this workplace. Often this person is the technical director, the personnel manager or a dedicated health and safety officer.

[If size =3 or 4 and Sample_var2 = 45 through 96]

I would like to speak with the person who is best informed about health and safety in this workplace. Often this person is the personnel manager or a dedicated health and safety officer.

Interviewer: Stress as necessary: - The survey is conducted on behalf of the European Agency for Safety and Health at Work. The Agency is an autonomous body of the European Union that provides information to improve health and safety at work. - The questions are about health and safety policies and practices in your workplace. - Good health and safety at work is an increasingly important issue and is a key factor in the success of the European economy. Participation in the survey will help to provide better information and assistance to workplaces. This contributes to improving safety measures and health protection of employees. - Results will be used to support workplaces and to improve legislation. - Details are available online at the esener.eu website.
